Ann Arbor: Get up to $200 back for each yard care tool when you upgrade to electric:

A2ZERO
EQUITABLE • SUSTAINABLE • TRANSFORMATIVE

Electric yard care equipment is healthier, cleaner, quieter, and easier to maintain… and an even better deal than ever. So say goodbye to gas cans, oil changes, and fumes. And say hello to Ann Arbor's A2ZERO Yard Care Rebates. Ann Arbor residents and select businesses can save up to 50% off electric yard care equipment and 100% off manual equipment, thanks to the Community Climate Action Millage. Apply online or by mail – these City-administered **rebates are easy and *on top of* any in-store offers:**

	Maximum Residential Rebates per tool *+ combine to save more:*	Maximum Business Rebates *+ combine to save up to $5,000:*
